Program Overview:

This comprehensive program in the study of victims of crime, Victimology, covers contemporary developments in the field of victimology, its conceptual boundaries, basic concepts and literature as well as the various subfields that make up this subject within criminology and criminal justice. The program provides students with an extensive overview of the principles and concepts of victimology, the various types of violence that lead to different types of victimization as well as the motives behind such actions and both the short and long-term effects on individuals and society as a whole. Students will have the opportunity to analyze victimization patterns and trends, the theoretical reasoning and responses to criminal victimization as well as the overall offender-victim relationships. Finally the program will look at how victimology has been used in the criminal justice to date, its uses and limitations as well as the implications of this study for criminal justice purposes going forward.

Certification/Licensure Eligibility upon Program Completion:

Students should have or be pursuing a high school diploma or GED.

- There are no state approval and/or state requirements associated with this program.
- There is a National Certification exam available to students who successfully complete this program:

☐ Microsoft Office Specialist (MOS) Certification Exam.

Tuition Cost:

\$3,799
