Program Overview:

This comprehensive program prepares students for a position as a Home Health Aide. Emphasis is on giving personal care in a client's home, communications, working with ill persons, basic human needs, eldercare, nutrition, special diets, and home management. Many different types of individuals require assistance in daily tasks, assistance with minor medical tasks, and companionship because they are ill, elderly, or disabled in some way, may be of any age, and must live at home or in a home-like residential facility. Home Health Aides provide this assistance or provide some of the care to allow family caregivers a respite. This program will ensure students are prepared to provide a variety of essential services for their clients including health care management and monitoring, assistance with activities of daily living (ADLs) ranging from bathing, dressing, eating, using the bathroom, housekeeping and laundry to medication reminders and/or management, recreational activities and companionship, security and transportation.

Certification/Licensure Eligibility upon Program Completion:
