Program Overview:

Photographer entrepreneurs start their own photography businesses. Often they work within a specialized niche or group of niches and market their services to specific target markets. In addition to having photography knowledge and skills, the Photography Entrepreneur with Adobe must also acquire business savvy, including how to establish a legal form of the business, how to write a business plan, how to brand and market the business, and how to use the numerous types of contracts required to comply with copyright and other types of photography-related laws. This course covers the basics of becoming a photographer, setting up a photography business and developing retouching and artistic skills that enhance your images using Adobe Photoshop.
